

SUBJECT: Helpful Information and Online CEPTC Resources Regarding Due to COVID-19

Dear ABTC Member,

The American Board for Transplant Certification understands the concerns our members may be having about the current COVID 19 pandemic and its effect on opportunities for continuing education to maintain their certification. We will continue to monitor the ongoing situation and will implement changes if needed once we have a better idea of the full impact. In the meantime, please consider participating in the following offerings for continuing education.
